Each holiday wouldn't it be wonderful to see our town proudly showing its patriotism by flying flags around town at local businesses and in your very own neighborhood?

For a mere \$40.00 per year, the members of the Lions Club will provide you with a large American flag that will be placed in your yard on each of the flag holidays listed above. You don't have to try to remember the holidays and you don't have to try to remember where you put your flag or the pole it flies on. It will just appear in your yard on the appropriate days.

In addition to showing your patriotism and American spirit, by subscribing to the Lions Club Flag Project you are assisting in providing free eye exams and prescription glasses for school children who can't otherwise afford them and sponsoring kids who want to go to Lions Camp, a camp for kids with disabilities. You are also providing scholarship opportunities for local high school seniors and helping provide a meeting place for local organizations like Hamilton 4H and the Girl Scouts. All the money collected is used here in Hamilton to support these and other community service projects.

If you have further questions, you may contact any Lions Club member or contact Lion Bret Partin at 254-386-3331 or email at [bret@partinagency.net](mailto:bret@partinagency.net)

If you want to order this service today, fill in the information below and mail or return your application with a check (\$40.00 per flag) made out to the Hamilton Lions Club to:
